

II.1.3) The notice involves	
A public contract	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>
The establishment of framework agreement	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
II.1.4) Information on framework agreement (if applicable):	
Framework agreement with single operator	<input checked="" type="checkbox"/>
Framework agreement with several operators	<input type="checkbox"/>
Execution of the Contract:	
Call offs/Place Orders	<input checked="" type="checkbox"/>
Subsidiary Contracts/Mini-competition	<input type="checkbox"/>
Duration of framework agreement: <u>in months 36</u>	
II.1.5) Short description of the object of the contract	
<p>· CA MFSK and KSF aims to link a framework contract 36 months, for "services to design and design of infrastructure projects", with an EO which will have the capacity to perform design services and design projects which should become the highest professional levels and in full compliance with construction law and European standards for designing and design of construction projects – as well as ISO 9001: 2008 for the provision of services architecture designing for the needs of the KSF and MKSF.</p>	
II.1.6) Common Procurement Vocabulary classification (CPV) 93	
II.1.7) Variants are accepted	
	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>
II.1.8) Division into lots	
	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>
<i>If yes, tenders should be submitted for (tick one box only)</i>	
<input type="checkbox"/> one lot only	<input type="checkbox"/> one or more lots
<input type="checkbox"/> All lots	
II.1.9) Information about lots (if applicable) N/A	
II.1.11) Estimated contract value: 400,000.00€	
II.2) QUANTITY OR SCOPE OF THE CONTRACT	
Total quantity or scope (including all lots and options if applicable)	
o. Item Description, quantity (approximate) Unit price DDP	
€ / Unit	
1. Preliminary project	
1 The work of conceptual design – architecture, organization, layout and functionality of space within the facility, the estimated cost of construction etc. 27,500.00m2	

- 2 The work of conceptual design – construction and stability of the building. 27,500.00m2
- 3 Ingjizimi geodetic of a construction site. 27,500.00m2
- 4 Working conceptual design for urban infrastructure needs. 27,500.00m2
- 5 Production of conceptual design of electrical installations – strong currents, rrufembrojtësi, transformers and generators. 27,500.00m2
- 6 Working conceptual design of electrical installations – installation of weak currents, fire alarms and security alarms and access, IT network, Videomonitorimi, Interfone, intranet. 98,500.00m2
- 7 The work of conceptual design of mechanical installations – heating facility. 125,000.00 m2
- 8 Working conceptual design of mechanical installations – air conditioning, ventilation and other mechanical installations, m2 19,500.00

3. Pricing Table – main project – palir

- 1 The main project work– architecture, organization, layout and functionality of space within the facility, the estimated cost of construction etc. 27,500.00m2
- 2 The work of conceptual design – construction and stability of the building. 27,500.00m2
- 3 Ingjizimi geodetic of a construction site. 27,500.00m2
- 4 Working conceptual design for urban infrastructure needs. 27,500.00m2
- 5 Production of conceptual design of electrical installations – strong currents, rrufembrojtësi, transformers and generators. 27,500.00m2
- 6 Working conceptual design of electrical installations – installation of weak currents, fire alarms and security alarms and access, IT network, Videomonitorimi, Interfone, intranet. 98,500.00m2
- 7 The work of conceptual design of mechanical installations – heating facility. 125,000.00 m2
- 8 Working conceptual design of mechanical installations – air conditioning, ventilation and other mechanical installations, m2 19,500.00

3.Urban infrastructure projects

- 1.Main Project Designing for urban infrastructure needs, image of the existing buildings, underground installations and mbitorredhe urbanist plan development of the KSF barracks .This position also included surveying measurements necessary for execution of this project,186,500.00m2
2. Producing major infrastructure projects – Roads, Parking and redirect content to the needs of the KSF. In this position also included surveying measurements necessary for execution of the project.65,000.00m2
3. Producing major infrastructure projects – hydro (water and redirect content to the needs of the KSF. In this position included geodetic measurements necessary for execution of the project.m/L8,500.00
4. Producing major infrastructure projects – Sewer Sewer Fecal and Atmospheric) and accompanying contents for the needs of KSF well.The this position included geodetic measurements necessary for execution of the project. m/L8,500.00
5. Project work infrastrukturës– main security fence that KSF locations. In this position also included surveying measurements necessary for execution of the project.34,500.00m/L
6. Project work infrastrukturës– main electrical and lighting networks external sites KSF. In this position also included surveying measurements necessary for execution of the project.18,500.00m/L
7. Producing major projects digitalization locations infrastrukturës– KSF (optic cabling, external cameras, etc.). In this position also included surveying measurements necessary for execution of the project. m/L8,500.00
8. Producing major projects – the defensive walls of this position included betoni.Ne geodetic measurements necessary for execution of the project.950.00m/L

II.3) DURATION OF THE CONTRACT OR TIME LIMITS FOR COMPLETION

Duration in months **36** or days _____ (from the award of the contract)
 or

The contract will enter into force from the moment of signing of thanks and will last 36 months or 3 years and startup services or dynamic plan after each message:

- Deadline of submission of the return–concept projects –Working calendar until the moment of order

submission of three project ideas acceptable to the conceptual design and delivery of selected request (max. 30 calendar days) from the moment of issuance of a purchase order by demand and the needs of disabled and in accordance with the technical specifications provided in the tender.

- Timeline returns to the implementation project –Delivery – calendar days from receipt of the selected conceptual design and delivery of project implementation max. 30 calendar days after the issuance of a purchase order request and needs of the disabled and in accordance with the technical specifications provided in the tender.

SECTION III: LEGAL, ECONOMIC, FINANCIAL AND TECHNICAL INFORMATION

III.1) CONDITIONS RELATING TO THE CONTRACT

III.1.1) Performance security required Yes No

If yes, amount of performance security _10 % of contract value **validitetit 37 months**

III.1.2) Legal form to be taken by grouping of economic operators to whom the contract is to be awarded (*if applicable*) _____

III.1.3) Other particular conditions to which performance of the contract is subject Yes No

If yes, description of particular conditions

- Designs and designs must be made on a high professional level and in full compliance with construction law and European standards for designing and design of construction projects – as well as ISO 9001: 2008 for the provision of services architecture (designing –dizajnim).

- Request for performance of services shall be made in writing by the manager of the contract specifying the project name, type of service and special orders according cash positions move.
- Preliminary design work in three variants acceptable conceptual projects which should be presented and accepted by the investor and to the admission and selection of the appropriate conceptual design .We if these three ideas do not meet the criteria and do not meet the objectives of the project then it becomes repetition of the conceptual design process and key until the right solution is achieved while carrying contracting EO possible consequences of delays in the delivery of dynamic plan concept and main projects under contract.
- The economic operator is obliged to designers presented the projects and justify the money and justify them before the project manager and the parties involved in the project.
- The economic operator is obliged designers whenever problems arise in the implementation of the project, as a result of errors in the project, to take the necessary measures for improvement of the project and bear the consequences of design errors.

III.2) CONDITIONS FOR PARTICIPATION

III.2.1) Eligibility Requirements:

Requirement 1: Statement under oath – the economic operator must meet the eligibility requirements in accordance with Law no. 04 / L-042, Section 65 using the form in Annex 2.

Requirement 2: A certificate signed by the Tax Administration of your establishment, you are not delinquent in the payment of taxes at least until the last quarter before submission of tender.

Requirement 3: Certificate of Court – An extract from the "judicial record" or, failing that, an equivalent document issued by a competent judicial or administrative authority of the State of establishment which proved to Section II. DATA SHEET Tender (TDS) of the tender dossier Eligibility of economic operators (see section 6.4 of the tender dossier.

Documentary evidence:

Evidence 1: Declaration under oath must-submitted in original, signed and stamped by O.Ekonomik

Evidence 2: A certificate signed by the Tax Administration – should only be submitted by the winning bidder, before the publication of the award of the contract-original

Evidence 3: Certificate from the Court – should only be submitted by the winning bidder, before the publication of the award of the contract-original

III.2.2) Professional Suitability:

Requirement 1. Business Registration Certificate

2. Certificate of Registration Requirement VAT

3. Certificate of Registration Requirement fiscal number

Demand 4. Standards Certificate ISO 9001: 2008 for the provision of services Projecting, designer, planning and consulting services in the field of Architecture and Inxhinierisë– evidence that the company is certified according to the standard design

Documentary evidence:

Evidence 1. Copy of certificate of business registration

Evidence 2. Copy of VAT Certificate

Evidence 3. Copy of Certificate with Fiscal number (Copy).

Evidence 4. A copy of the Certificate of Standards ISO 9001: 2008

III.2.3) Economic and financial capacity

Requirement 1. Economic Operator must prove general revenues together for three years (2013, 2014, and 2015) must be a minimum of € 600,000.00.

Documentary evidence:

Evidence 1. Report or relevant reports from one or more banks on economic and financial capacity by any licensed bank – should be submitted in original

III.2.4) Technical and professional capacity

Requirement 1: Economic Operator must prove that it has signed and successfully implemented during the last three years, 2013, 2014 and 2015, minimum 3 (three) contract to design – design projects, with min volume of 400,000.00 €,

Warning:

In case of group of economic operators, the leader of the group must prove that it has signed and successfully implemented during the last three years, 2013, 2014 and 2015, min 2 (two) contract to design – design with minimum volume of 250,000.00 €, while other members of the group must provide evidence that they have signed a contract or minimum realize the design – design in the amount of € 150,000.00 min

2. The request must provide minimum OE Staff Professional.

- inxh.Dipl. Architecture (or master / non bachelor) min. 2, with 5 years experience
- inxh.Dipl. –konstruktiv of Civil Engineering (or master / non bachelor) min. 2, with 5 years experience
- inxh.Dipl. –hidroteknik of Civil Engineering (or master / non bachelor) min. 1, with 5 years experience
- inxh.Dipl. Machinery (or master / non bachelor) min. 1, with 5 years experience
- inxh.Dipl. Electrical Engineering (or master / non bachelor) min. 1, with 5 years experience
- licensed surveyor (engineer, master or bachelor) min. 1, with 3 years experience

Request 3. Economic operator must appoint a project manager by professional staff, who should be one (1) Engineer of Architecture, with 5 years experience, man may be presented by professional staff; (example: two engineers wanted to architecture one of them can be assigned)

Documentary evidence

Evidence 1. List of the same nature contracts signed and executed in the past 3 years (2013.2014 and 2015) must be submitted in original, signed and stamped by the Economic Operator.

evidence:

- References by listing contracts presented for similar services, which should indicate the value, date, nature of projects / or service activities and shall specify the reference if the services are performed at the request of the CA, during the last three years we value min of 400,000.00 Euro.

- If you design and design services are performed for mit private companies must prove to the bank statement – bank statements (or receipts from the bank) must be presented in original from any licensed bank

Warning:

- No contract shall not be counted unless it is attached references or technical acceptance of successful services for performance demanding nature of this tender.

Evidence 2: evidence of professional staff.

1.Diploma certified from the original (diplomat notarized must be submitted in original)

2.CV-IT must be submitted in original or certified by the original,

3.Deklarata of exclusivity and availability under Annex 7 of the tender dossier – must be submitted in original,

Evidence 3: a written decision on the appointment of a project manager stamped and signed by the original OE.

Evidence for the project manager:

1.Diploma certified from the original (diplomat notarized must be submitted in original)

2.CV-IT must be submitted in original or certified by the original,

3.Deklarata of exclusivity and availability under Annex 7 of the tender dossier – must be submitted in original.

Warning:

CA has the right to verify during the evaluation phase Data- all the evidence presented by the EO in relation to the procurement activity in question.

III.3) CONDITIONS SPECIFIC TO SERVICE CONTRACTS

III.3.1) Execution of services is reserved to a particular profession	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
III.3.2) Legal persons should indicate the names and professional qualifications of the staff responsible for the execution of the service	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

SECTION IV: PROCEDURE

IV.1) TYPE OF PROCEDURE

IV.1.1) Type of Procedure	
<input checked="" type="checkbox"/> Open	
<input type="checkbox"/> Restricted	
<input type="checkbox"/> Negotiated	Justification for the choice of negotiated procedure _____
IV.1.2) Limitations on the number of the operators who will be invited to tender (restricted or negotiated procedure)	
On the basis of the applications received, at least 2 and at most 6 candidates will be invited to submit	

detailed tenders for this contract. If more than 6 eligible candidates meet the above selection criteria, the relative strengths and weaknesses of the applications of these candidates shall be re-examined to identify the six best applications for the tender procedure. The only factors which will be taken into consideration during this re-examination are:

IV.1.3) Reduction of number of the operators during the negotiations (*negotiated procedure*)

Conduct the negotiations in successive stages

Yes

No

IV.2) AWARD CRITERIA

Tick the appropriate box and delete the other

Lowest price

IV.3) ADMINISTRATIVE INFORMATION

IV.3.1) Previous publications concerning the same contract

Yes

If yes,

CONTRACT NOTICE: 14.12.2015

Notice of contract award: 03/01/2016

Notice of cancellation of the contract award notice: 25/04/2016 (based on the decision of the PRB dated 19.04.2016 (PSH.Nr.64 / 16))

IV.3.2) Conditions for obtaining ~~[tender dossier]~~ ~~[prequalification documents]~~

Time limit for receipt of requests for ~~[tender dossier]~~ ~~[prequalification documents]~~: date 17.06.2016

Payable documents

Yes

No

If yes, price _____

Terms and method of payment: _____

IV.3.3) Time limit for receipt of ~~[tenders]~~ ~~[applications]~~

Date 20.06.2016. **Time** 13:00h **Place** MKSF

IV.3.4) Time limits is shortened for submission of ~~[tenders]~~ ~~[applications]~~? yes

If yes, provide justification _____

IV.3.5) Is tender security needed:

Yes

No

If yes, the value of tender security 10,000.00

Validity of tender security in days 120 *or* months 4

IV.3.6) Tender validity period: Until: date: 90 days *or* months 3

IV.3.7) Tender opening meeting:

date 20.06.2016 **time** 13:30h **place** MSFK

SECTION V: COMPLEMENTARY INFORMATION
